

# COMMERCIAL

HVLS FAN

Say hello to a new class of ceiling fans. An energy-efficient solution that combines exceptional style with best-in-class performance to keep your space cool and comfortable. The Serco Commercial HVLS Fan moves a substantial amount of air, while giving you endless customization options to make it your own.

The Serco Commercial HVLS Fan—is designed to provide a sleek and stylish design, various color configurations to complement virtually any environment, a low sound dBA level that’s so quiet it’s like the fan’s not even there, and performance far superior to its competitors. Serco Commercial Fan gives you the ability to mount the control where you want it. With its adaptable and configurable color design options, this fan truly caters to your unique environment.
